ABOUT EXHIBITION

Bringing you more business opportunities at India Medical Expo-2023, B2B Medical Equipment Exhibition Organised by Eagle Trade Fairs is going to be one of the latest & prominent platform to connect and reach out into the vibrant Indian medical markets. A live 3-Days Exhibition at Tripuravasini, Palace Grounds, Bangalore. Will ensure exhibitors and visitors networking & doing business with global audience. With face-to-face networking, establishing business connections, brings a high-quality audience from the Indian healthcare market.

India Medical Expo-2023 will be a unique platform to take entry into the Indian market, the most populous and one of largest country, with an expected population of 1,405.2 million by 2022. This exhibition provides the best opportunities under one roof for medical practitioners covering wider scope of Indian healthcare market as well as considering the special potential of the big metropolitan areas with growing demand and rising investments especially after COVID-19 pandemic in the public & private healthcare sector in India.

India Medical Expo is a unique show for Medical, Surgical, Hospitals, Diagnostics and other Healthcare services. The exhibition brings together healthcare leaders from various disciplines to collaborate and provide the best services to the industry.
